Can you see me?
'Cause I'm right here
Can you listen?
'Cause I've been trying to make you notice
What it would mean to me
To feel like somebody
We've been on our way to nowhere
Trying so hard to get there

And I say Oh!
We're gonna let it show!
We're gonna just let go of everything
Holding back our dreams!
And try to make it come alive!
Come on let it shine so they can see
We were meant to be
Somebody!
Somebody! Yeah!
Somehow! Someday! Someway!
Somebody!

I'm so tired of being invisible 9Invisible)
But I feel it yeah
Like a fire below the surface
Trying to set me free
Burnin' inside of me (Inside of me)
'Cause we're standing on the edge now
It's a long way down!

But I say Oh!
We're gonna let it show! (Let it show!)
We're gonna just let go of everything
Holding back our dreams!
And try to make it come alive!
Come on let it shine so they can see
We were meant to be
Somebody!
Somebody! Yeah!
Somehow! Someday! Someway!
Somebody!

We will walk out of this darkness!
Feel the spotlight glowing like a yellow sun
Oh whoa-oh oh oh
And when we fall we fall together!
Till we get back up and we will rise as one

Ohwoahoh!
Oh! We're gonna let it show! (Let it show!)
We're gonna just let go of everything
Holding back our dreams!
And try to make it come alive! (Make it come alive)
Come on let it shine so they can see
We were meant to be
Somebody! (Somebody!)
Somebody! Yeah! (Somebody!)
Somehow! Someday! Someway!
Somebody!
Somebody!
Ooh! Oh!
