Goodbyes, one of the hardest things we deal with in
our lives

Sometimes, this feeling truly tears me up inside
Time, how come this healer just forgot this heart of
mine
I'm so far from doing fine, I'm not alright
I'm not alright

When I think of all these years of hurt and sorrow
Trying to deal with all the loss and fears
Still the pain of yesterday
Has made me who I am today
And shouldn't we remember
The time we've left together

Why, tell me why you had to leave this all behind
You know I'm trying so hard to find this place of mind
Tell me how can I

Say goodbye to all these years of loneliness
I don't think that I can take no more
Still the pain of yesterday
Has made me how I am today
And know we should remember
The time we've left together

Still the pain of yesterday
Has made me who I am today
And shouldn't we remember
The time we've left together
