Yeah
You would be my man,
I would be your girl,
Oh yeah,
I believe, I believe

If there's any justice in the world,
You would be my man,
I would be your girl,
Oh yeah

If I'd found you first I know it's true,
She would be alone,
I would be with you

When you decide, don't let me down,
Cause there's nothing to be certain in my life,
And you've seen a thousand times,
There's nog much justice in the world

If there's any justice in your heart,
Your love, pity it changed.
Ease it into your heart,
Oh no

Why don't you remember how it feels,
Not to give a damn,
For anyone but me

I can't believe you'd be deceived
Changin' memories from truth to fantasy,
Where there's nothing left but tears,
There's nog much justice in the world,

Just because she's wrapped around your finger,
Don't fool yourself with dreams that might appear,
If in time you'll stop and trust your feelings,
The truth is out there somewhere
It's blowing in the wind

If there's any justice in the world,

You would be my man,
I would be your girl,
Oh yeah

When you decide, don't let me down,
Cause there's nothing to be certain in my life,
And you've seen a thousand times,
There's not much justice in the world

If I should lose you boy you know

There's not much justice in the world
