I loved you from a distance
But now that we're much closer
I'm afraid we'll screw things up
Well I'll confront the truth now
But baby here's the question
Do you want to waste our love

I can't stop this feeling
That's rushing through my veins
Just like a waterfall
I'm falling for you again

I don't understand it
But I know I can't pretend
It's like a movie scene
Tell me how this story ends
It's not fair, I don't care if
Love is wasted on you

I'm walking on a tightrope
Yeah I'm afraid to let go
Guess that I know us too well
Cause now I realise that
Nothing really matters
I never loved anyone else

You put me in the spotlight
And dreams rush through my head
Well I'm falling deep now
Why do I want what I can't get

I don't understand it
But I know I can't pretend
It's like a movie scene
Tell me how this story ends
It's not fair, I don't care if
Love is wasted on you

I can't stop this feeling
That's rushing through my veins
Just like a waterfall

I'm falling for you again

I don't understand it
But I know I can't pretend
It's like a movie scene
Tell me how this story ends
It's not fair, I don't care if
Love is wasted on you
That in time we'll see things through
It's not fair, I don't care, It's not fair
It's not fair, I don't care
If my love is wasted on you
It's not fair, I don't care
If my love is wasted on you
I don't care
