Life is a ever changing flow  
How he always try to find a way to find it  
There you go again your prad just toke a blow  
So you ask yourself if it was really worth it  
The only thing I know  
Love will come and go  
Chances are reheard  
Somebody  
If you wanna go deep we will never stay asleep

Wake up and dance in the sunshine  
Wake up, love's on the frontline  
Right now you all shake up  
Things are gonna get better  
Make up it's time to forgive now  
Wake up better fall in love and fail  
Than never fall in love at all

So keep moving on better  
Realive the pain it's all behind you  
You don't know  
Tomorrow might be great  
There's a world out there  
It's waiting for your lefter?

The only thing I know  
Love will come and go  
Find somebody new  
Stop crying  
If you wanna go deep you can never stay asleep  
Wake up and dance in the sunshine  
Wake up, love's on the frontline  
Right now you all shake up  
Things are gonna get better  
Make up it's time to forgive now  
Wake up better fall in love and fail  
Than never fall in love at all

Never give up on sweet romances  
The world is full of second chances  
Hey, come on come on wake up \*dance in the

sunshine\*  
Wake up \*love's on the frontline\*  
Right now you all shake up  
Things are gonna get better  
Make up it's time to forgive now  
Wake up better fall in love and fail  
Than never fall in love at all

\*wake up and dance in the sunshine  
Wake up, love's on the frontline\*  
Right now you all shake up  
Things are gonna get better  
Wake up \*time to forgive now\*  
Oh wake up better fall in love and fail  
Than never fall in love at all
