They're singing "Deck the Halls"
But it's not like Christmas at all
I remember when you were here
And all the fun that we had last year
The snow's coming down
Now I'm watching it fall
All the people around
Baby please come home
The church bells in town
All ringing in song
Full of happy sounds
Baby please come home
They're singing "Deck the Halls"
But it's not like Christmas at all
I remember when you were here
And all the fun that we had last year
Now the snow's coming down
Now I'm watching it fall
Lot's of people around
Baby please come home
(won't you please, oh)
They're singing "Deck the Halls"
But it's not like Christmas at all
I remember when you were here
And all the fun that we had last year
The snow's coming down
Now I'm watching it fall
All the people around
Baby ,baby, baby please come home
Baby please come home
Baby please come home
Baby please come home
Now I'm feeling all alone
Oh the snow's coming down
Now I'm watching it fall
