If you don't know me by now
You will never never never know me
If you don't know me by now
You will never never never know me

All the things that we've been through
You should understand me like I understand you
Now baby I know the difference between right and
wrong
I ain't gonna do nothing to upset our happy home

Oh don't get so excited
When I come home a little late at night
'Cause we only act like children
When we argue, fuss and fight

If you don't know me by now
You will never never never know me
If you don't know me by now
You will never never never know me
No you won't, hey hey

We've all got our own funny moods
I've got mine, woman you've got yours too
Just trust in me
Like I trust in you
As long as we've been together
That should be so easy to do

Just get yourself together
Or we might as well say goodbye
What good is a love affair
When we can't see eye to eye

If you don't know me by now
You will never never never know me
If you don't know me by now
You will never never never know me
No you won't
If you don't know me by now
Ten long years

Ten long years we've been together
You will never never never know me
