Downtime, downtime  
Rewind, rewind

Well, I

Just sing, no need to shout  
A proclamation of the modern sound  
Inspired by the world today  
Just give yourself some room to move and voscillate  
[x2]

Voscillate, voscillate

Just give yourself some room to move and voscillate

I don't mean to stop this thing  
I know I won't give up

Voscillate

I don't mean to stop this thing  
I know I won't give up  
Just mix it up

Voscillate, voscillate

Just sing, no need to shout  
I know I won't give up  
A proclamation of the modern sound  
I know I won't give up  
No need to shout  
Just give yourself some room to move and voscillate

Downtime, downtime  
Rewind, rewind  
[x2]

Well, I  
Just sing, no need to shout  
A proclamation of the modern sound  
Inspired by the world today

Voscillate, voscillate

Just give yourself some room to move and voscillate

I don't mean to stop this thing  
I know I won't give up  
Voscillate  
I don't mean to stop this thing  
I know I won't give up  
Just mix it up

Voscillate, voscillate

Just give yourself some room to move and voscillate
