[Intro:]

Dollar sign,
Fly Street Game, oh, oh

Hook:

Girl, hold up, hold up
Let's wait to the moment!
Cause I've been up all night in the club,
Drink, drinking, drinking with the homies!
I'mma hit you when you wake up
I'mma hit you when you wake up
I'mma hit you when you wake up
I'mma hit you when you wake up
Hey, hey, hey!

Been out at the club all night long
My girl hit my phone for me to hurry on
She said she can't wait for me to get it on
I tell her, "slow down, baby hold on!"
I'm about to leave the club and I'm drunk as fuck
So when the morning girl, I'mma beat it up!
Breakfast in bed, I'mma eat it up
Put your legs in the air, no keep them up!
Don't you put 'em down, I'mma put 'em down!
Slide your panties to the side, ain't got to pull 'em
down
Ass so fat, gotta put it down
And I'mma really knock it out, pack it out!
Get it? A true freak!
...fucking with me
A fly nigga, I'll make a trigger, the pussy killer
She been wanting that dope, there come the dope
dealer!
