Now as I walk along the shore,
Do the dance of the chicken's claw,
This snakes growing inside of me,
I, I can only be so butch,
While the mans talking double Dutch,
This place got zero gravity,

I don't know a thing so I don't say a word,
You tell me I'm the king but I sing like a girl,
You always tell me things that I don't want to hear,
The frequency's not clear,

She said she climbed the steepest climb,
But if you're that way inclined,
She said she's gonna work it out,
Holy Moses this town can't keep you down,
Looks like you just lost your crown,
In a town that's not worth any shelf,

I don't know a thing so I don't say a word,
You tell me I'm the king and then get me referred,
You always tell me things that I don't want to hear,
The frequency's not clear,

Feels lively, feels lively, feels lively,
Feels lively, feels lively, feels lively.
