I caught You waking up the sky
And I could not believe my eyes
The brightest blue that I had ever seen
Was looking back at me

It happens everywhere I go
I find something that lets me know
Lord, You're always up to something new
I'm still surprised by You, I'm ready to be amazed

Here we go, here we go
It's a brand new day
And I sing 'cause I know
That You'll lead my way

Life is good in a world
Where Your wonder never ends
So here we go again

So what's it gonna be today?
What You gonna bring my way?
You know I wonder what my heart will see
I'm on the edge of my seat and I'm ready to be amazed

Here we go, here we go
It's a brand new day
And I sing 'cause I know
That You'll lead my way

Life is good in a world
Where Your wonder never ends
So here we go again, here we go again
Here we go again, yeah

I don't ever wanna close my eyes
'Cause I don't wanna let life pass me by
With so little time and so much to do
And I wanna spend every second with You

So what's it gonna be today?
What You gonna bring my way?
You know I wonder what my heart will see

I'm on the edge of my seat, now I'm ready to be
amazed

Here we go, here we go
It's a brand new day
And I sing 'cause I know
That You'll lead my way

Life is good in a world
Where Your wonder never ends
Here we go again

Here we go, here we go
It's a brand new day
And I sing 'cause I know
That You'll lead my way

Life is good in a world
Where Your wonder never ends
So here we go again

Here we go again
Here we go again
Here we go again
Here we go again
