Oh, Oh, Oh, Oh  
Oh, Oh, Oh, Oh

I just can't wipe it off  
The smile on my face  
I can't slow it down  
My heart just feels at this pace

I've got a skip in my step and I like it that way  
I've got a glow in my soul and it's there to stay

When i think about you  
I just can't fight it  
When i think about you  
There's no denying

Chorus:  
I just wanna sing and dance  
Like everyday  
Don't wanna stop  
Turn it down  
Is that ok  
And when they ask what's got me going so crazy  
And I know it's all about you!

Oh, Oh, Oh, Oh,  
Oh, Oh, Oh, Oh

You've got me riding high  
Like on top of the world  
You've got me feeling like  
Like nothing can stop me  
I've got a skip in my step  
And I like it that way  
I've got a glow in my soul  
And it's there to stay

When i think about you  
You love me this way-ay  
When i think about you  
Your amazing grace

I just wanna sing and dance  
Like everyday  
Dont wanna stop  
Turn it down  
Is that ok  
And when they ask what's got me going so crazy  
And i know it's all about you!

Oh, Oh  
Oh, Oh

All about you let's dance and sing  
All about you everything  
All about you our voices ring  
Everything i do is for you  
All about you let's dance and sing  
All about you everything  
All about you our voices ring

it's all about you

I just wanna sing and dance  
Like everyday  
Dont wanna stop  
Turn it down  
Is that ok  
And when they ask what's got me going so crazy  
And i know it's all about you!

I just wanna sing and dance  
Like everyday  
Dont wanna stop  
Turn it down  
Is that ok  
And when they ask what's got me going so crazy  
and i know it's all about you!
