Take a look at the mountain
Stretching a mile high
Take a look at the ocean
Far as your eye can see and think of me

Take a look at the desert
Do you feel like a grain of sand?
I am with you wherever
Where you go is where I am

And I'm always thinking of you
Take a look around you
I'm spelling it out one by one

I love you more
Than the sun and the stars
That I taught how to shine
You are mine and you shine for me too

I love you
Yesterday and today and tomorrow
I'll say it again and again
I love you more

Just a face in the city
Just a tear on crowded street
But you're one in a million
And you belong to me, yeah

And I want you to know
That I'm not letting go
Even when you come undone

I love you more
Than the sun and the stars
That I taught how to shine
You are mine and you shine for me too

I love you
Yesterday and today and tomorrow
I'll say it again and again
I love you more, I love You more

Shine for me, shine for me
Shine for me, shine on
Shine on, shine for me

I love you more
Than the sun and the stars
That I taught how to shine
You are mine and you shine for me too

I love you
Yesterday and today
And tomorrow
I'll say it again and again

I love you more
Than the sun and the stars
That I taught how to shine
You are mine and you shine for me too

I love you
Yesterday and today and tomorrow
I'll say it again and again
I love you more, I love you more
I love you more
