Overwhelmed and uninspired
Miscommunication breakdown
I'm in an ocean
Trying to start a fire
Burning out

I know what I've got to do
Take my time and talk to You...

On my knees
Flying through the blue sky
Miles away...
I see clearly
Every single time I
Close my eyes and
Pray...
Pray...

I need a constant conversation
A heart to heart, long distance call
So when I start to feel the separation
I will fall...

On my knees
Flying through the blue sky
Miles away...
I see clearly
Every single time I
Close my eyes and
Pray...
Pray...

All my worries disappear
When I'm standing here

On my knees
Flying through the blue sky
I'm here to stay

On my knees
Flying through the blue sky
Miles away-ay-ayeah..

I see clearly
Every single time I
Close my eyes and
Pray...
Pray...
Pray...
Pray...

Pray...
[Close my eyes and pray...]
Pray...
[On my knees...]
Pray...
[I'm flying through the blue sky...]
Pray...

I need a constant conversation
A heart to heart long distance call
