[Verse 1]

Are you looking for a savior?
Someone that will be your side (Savior)
Someone that will stay for all time (Savior)
Someone that can take everything that's wrong in your
life, and somehow make it right
(Savior)
Someone that won't let you down (Savior)
Someone that won't let you drown(Savior)
When this world spins you around, He us the One that
will hold you steady now (hold you steady now)

[Chorus]

Let me introduce you to Jesus, Let me introduce you to
Jesus
He's got so much love for you that He opened up his
arms and gave his life for you
Let me introduce you to Jesus, Let me introduce you to
Jesus
He's got so much love for you that He opened up his
arms and gave his life for you

[Verse 2]

Are you looking for a savior?
Someone that sees all your scars (Savior)
Someone that still wants your heart (Savior)
Someone who knows where you are, showing you the
way, like a light in the dark

(Savior)

Someone who's closer than a friend (Savior)
Someone who will be there till the end (Savior)
When you're in the storm, you will never be alone
He will lead you home

[Chorus]

Let me introduce you to Jesus, Let me introduce you to
Jesus
He's got so much love for you that He opened up his
arms and gave his life for you
Let me introduce you to Jesus, Let me introduce you to
Jesus

He's got so much love for you that He opened up his
arms and gave his life for you

When you feel like you're gonna break, like you're not
strong enough
And you're looking for faith
To hold on, to hold on
And when you need a brand new day, a new beginning
in your life
Open up your heart inside

[Chorus]

Let me introduce you to Jesus, Let me introduce you to
Jesus
He's got so much love for you that He opened up his
arms and gave his life for you
