[Martin: The song came About during a jam session  
with Jurgen,]  
[We wanted to create a power hymn. then Frankie]  
[and i had some more ideas and one night we finished  
the song]  
[right over the phone Life is a fight and we are  
prepared.]

[vers:]  
We are standing tall  
We are standing straight  
Always be prepared  
Never be afraid never  
Will surrender never  
Will devine  
Hear our battle cry  
Till the end of time

[ref:]  
We are the fighting sons  
But we don't fight with guns

[vers:]  
There's something you should know  
There's something you should see  
Look into my eyes  
Be my enemy  
Up from the cradle  
Till they bury us  
We are very loyal  
Loyal to the crust

[ref:]  
We are the fighting sons  
But we don't fight with guns  
For all the world to see  
Wings of eternity
