Do you remember when we didn't care  
We were just two kids that took the moment when it was  
there  
Do you remember you at all  
Another heart calls  
I remember when we stole the night  
We'd lie awake but dream until the sun would wash the  
sky

Just as soon as I see you  
I didn't lie but didn't I tell you  
As deep as I need you  
You wanna leave it all

What can I do  
Say it's true or everything that matters breaks in two  
Say it's true  
I'll never ask for anyone but you

Talk to me  
I'm throwing myself in front of you  
This could be the last mistake that I would ever want to  
do  
All I ever do is give  
Its time you see my point of view

Just as soon as I see you  
I didn't lie but didn't I tell you  
As deep as I need you  
You wanna leave it all

What can I do  
Say it's true or everything that matters breaks in two  
Say it's true  
I'll never ask for anyone but you  
But I know what you want is to figure it out and God  
knows I do too  
What can I do  
Say it's true  
I'll never ask for anyone but you

Oh oh oh oh  
Oh oh oh oh  
Na na na na na

Oh oh oh oh  
Oh oh oh oh  
Na na na na na

I'm sorry  
So what  
But you don't think I've said enough

I'm sorry  
I don't care  
(You don't care)  
You were never there

Just as soon as I see you  
I didn't lie but didn't I tell you  
As deep as I need you  
You wanna leave it all

What can I do  
Say it's true or everything that matters breaks in two  
Say it's true  
I'll never ask for anyone but you  
But I know what you want is to figure it out and God  
knows I do too  
Yeah  
What can I do  
Say it's true  
I'll never ask for anyone but you

(Oh oh oh oh)  
(Oh oh oh oh)  
(Na na na na na)  
I'll never ask for anyone but you

(Oh oh oh oh)  
(Oh oh oh oh)  
(Na na na na na)  
I'll never ask for anyone but you

(Oh oh oh oh)  
(Oh oh oh oh)  
(Na na na na na)  
I'll never ask for anyone but you

(Oh oh oh oh)  
(Oh oh oh oh)  
(Na na na na na)

I'll never ask for anyone but you

(Oh oh oh oh)

(Oh oh oh oh)

(Na na na na na)

I'll never ask for anyone but you
