She's gone away, but still they stay together
People call me crazy, crazy
My thoughts progress, I thinks about forever
My mind tells him maybe, maybe

I wish I could drive away to the sunset
Back to the day that we first met
Only believe the things I wrote
I'll put it in a note, yeah
I'll cross my t's and dot my i's
Better say hello, don't you dare say goodbye
I'll write sincerely yours and sign my name
P.S. I love you, forever and today

Two weeks go by
so like it's been the weather
The rain falls down
she's crying, crying
My thoughts progress
she thinks about forever
Their hearts are bound
lying, lying

I wish I could drive away to the sunset
Back to the day that we first met
Only believe the things I wrote
I'll put it in a note, yeah
I'll cross my t's and dot my i's
Better say hello, I'm going to wave goodbye
I'll write sincerely yours and sign my name
P.S. I love you, forever and today

All the heartbreak all the pain
All your words you said in vain
And I'll never be the same

I wish I could drive away to the sunset
Back to the day that we first met
Only believe the things I wrote
I'll put it in a note, yeah
I'll cross my t's and dot my i's

Better say hello, I'm going to wave goodbye
I'll write sincerely yours and sign my name
P.S. I love you, forever and today

Forever and today
Forever and today
P.S. I love you, forever and today
