I never thought that I was so blind  
I can finally see the truth  
It's me for you

Tonight you can't imagine that I'm by your side  
'cause it's never gonna be the truth  
so far for you

But can you hear me say  
Don't throw me away  
and there's no way out  
I gotta hold you somehow

I wanna, I wanna, I wanna touch you  
you wanna touch me too  
Everyday, but all I have is time  
Our love's the perfect crime

Take everything that I know you'll break  
and I give my life away so far to you

Can you hear me say  
don't throw me away  
and there's no way out  
I gotta hold you somehow

I wanna, I wanna, I wanna touch you  
You wanna touch me too  
Everyday, but all I have is time  
Our love's the perfect crime

I wanna, I wanna, I wanna touch you  
You wanna touch me too  
Every way and when they set me free  
Just put your hands on me

Can you hear me say  
don't throw me away  
and there's no way out  
I gotta hold you somehow

I wanna, I wanna, I wanna touch you  
You wanna touch me too  
Every way and when they set me free  
Just put your hands on me

I wanna, I wanna, I wanna touch you  
you wanna touch me too  
but all I have is time  
Our love's the perfect crime

I wanna, I wanna, I wanna touch you  
You wanna touch me too  
and when they set me free  
Just put your hands on me
