One questions what can't be done
You tear me down with the same thing
There's nothing there and it's begun
What can you do when it all drains

Down there, you go always
See if I care faded
Down, don't you know where I'll be
Cause I'm here, on my own

Waiting, when I'm waiting
(don't you know?)
I've been here before, and I don't care where I'm going
so I'll say...

When you walk don't leave a note
Just put your hands on the back door
When you talk it's just a joke
Just know, I can't take it anymore

Down there, you go always
See if I care faded
Down, don't you know where I'll be
Cause I'm here, on my own

Waiting, when I'm waiting
(Don't you know?)
I've been here before, and I don't care where I'm going
so I'll be, waiting (waiting)
When I'm waiting (don't you know?)
I'll tell you once more
That, as long as you're gone

Then I'll say
Outside there's no place I can hide
And your dead of time
Is anything alright
When the wind tries
Make storm walls outside
You'll be outside
I'm in here and i'll guard

Waiting, when I'm waiting
(Don't you know?)
I've been here before, and I don't care where I'm going
so I'll be, waiting (waiting)
When I'm waiting (Don't you know?)
I'll tell you once more
that, as long as you're gone

and I'll say...
I missed it
I missed it
and you'll call then I'll stay
