To dispel any rumor
I should do this sooner than later
I had a girl and didn't hate her
But I let her go
I swear that I've got problems
And she can never stop them from ending
My head is fucked up
And I've been pretending
She's the one
How could I let it go on?
You wanna hurt someone
That's why I wrote you this song

[Chorus]

Kimberly, don't cry
I'll always be by your side
Yeah, Kimberly don't cry
A broken heart just takes time

Let's take it one step further
I never meant to hurt her so badly
We had a love and I can say madly
Let her go
I couldn't let it go on
Let her know
I put my soul in this song

[Chorus]

Kimberly, don't cry
I'll always be by your side
Yeah, Kimberly don't cry
A broken heart just takes time

[Bridge]

Yeah, I could shed a thousand tears
But you'd never see them falling
Yeah, I could walk a thousand years
But you'd never see me crawling

I've said it before
And I'm saying it one time more

[Chorus]

Kimberly, don't cry
I'll always be by your side
Yeah, Kimberly don't cry (don't cry)
A broken heart just takes time
Just takes time

Kimberly, don't
Kimberly, don't
Kimberly, don't cry

Kimberly, don't cry
A broken heart just takes time
Just takes time
