Please just don't play with me
My paper heart will bleed
This wait for destiny won't do
Be with me please I beseech you
Simple things that make you run away
Catch you if I can

Tears fall down your face
The taste is something new
Something that I know
Moving on is easiest when I am around you

So bottle up old love
And throw it out to sea
Wash it away as you cry
A year has past
The seasons go

Please just don't play with me
My paper heart will bleed
This wait for destiny won't do
Be with me please I beseech you
Simple things that make you run away
Catch you if I can

Waiting, day to day it goes through
My lips are sealed for her
My tongue is
Tied to a dream of being with you
To settle for less is not what I prefer

So bottle up old love
And throw it out to sea
Wash it away as you cry
A year has past
The seasons go

Please just don't play with me
My paper heart will bleed
This wait for destiny won't do
Be with me please I beseech you

Simple things that make you run away
Catch you if I can

Summer time, the nights are so long
The leaves fall down, and so do I to the arms of a
friend
Winter nights
My bedside is cold, for I am gone
And spring blossoms you to me
