She's gone her way
Still they stay together
People call me crazy, crazy
But thoughts progress
Think it up forever
My mind tells me maybe, maybe

I wish I could drive away to the sunset
Back to the day that we first met
Only believe the things I wrote
I'll put it in a note, yeah
Cross my t's and dot my i's
Better say hello
Don't you dare say goodbye
I'll write 'Sincerely yours' and sign my name
P.S. I love you
Forever and today

Two weeks go bye
It's like it's been the weather
The rain falls down
She's cryin, cryin
But thoughts progress
She thinks about forever
Their hearts are bound
Lyn, Lyn

I wish I could drive away to the sunset
Back to the day that we first met
Only believe the things I wrote
I'll put it in a note, yeah
Cross my t's and dot my i's
Better say hello
I'm gonna wave goodbye
I'll write 'Sincerely yours' and sign my name
P.S. I love you
Forever and today

All the heartache, all the pain
All the words you've said in vain
It'll never be the same

Forever and today
Forever and today
P.S. I love you
Forever and today
