Pefect girl - visit me in your dreams
Run away with me tonight
This lasts forever all it seems
That your not real to me
I don't care

Chrystal clear - I see your face
And I know you see me too
You look at me
My heart is race
Not even real yet
I fall for you

Do you seem so real to me
Just my dream - my fantasy
Mean nothing it all
A vision in my mind
I don't care
I don't know
I don't care

The lights are off when we're alone
(Yes, we were talking on the phone)
I'm still asleep kickin' in my sheets, yeah.
The lights are off when we're alone
(Yes, we were talking on the phone)
I'm still asleep kickin' in my sheets
For you

Waited for you
You never came
Lying away alone in bed
Yet you have changed
I'm still the same
Your promises were in my head

Do you seem so real to me
I couldn't see
Nothing it all
A vision in my mind
I don't care

I don't know
I don't care

The lights are off when we're alone
(Yes, we were talking on the phone)
I'm still asleep kickin' in my sheets, yeah
The lights are off when we're alone
(Yes, we were talking on the phone)
I'm still asleep kickin' in my sheets
For you
And only you

The lights are off when we're alone
(Wish we were talking on the phone)
The lights are off when we're alone
(Wish we were talking on the phone)
The lights are off
The lights are off
The lights are off when we're alone
(Wish we were talking on the phone)
Please turn the lights on
The lights are off when we're alone
(Wish were talking on the phone)
I'm still asleep kickin' in my sheets, yeah
The lights are off when we're alone
(Yes, we were talking on the phone)
The lights are off
The lights are off
The lights are off when we're alone
(Wish we were talking on the phone)
Please turn the lights on
