Back me down from backing up
Hold your breath now it's stacking up
Etched with marks but i can deal
And you're the problem and you can't feel

Try this on straitjacket feeling
So maybe i won't be alone
Take back now my life you're stealin'

Yesterday was hell,
But today i'm fine without you
Run away this time without you
And all i ever thought you'd be
That face is tearing holes in me again

Trust you is just one defense
With a list of others you don't make sense
Beg me time and time again
To take you back now but you can't win
Take back now my life you're stealin'

Yesterday was hell,
But today i'm fine without you
Run away this time without you
And all i ever thought you'd be
that face is tearing holes in me

But today i'm fine without you
Run away this time without you
And all the things you put me through
I'm holding on by letting go of you

And when that memory slips away
There will be a better view from here
And only lonesome you remains
And just the thought of you i fear
Grip falls away

Yesterday was hell,
But today i'm fine without you
Run away this time without you

And all i ever thought you'd be
that face is tearing holes in me

But today i'm fine without you
Run away this time without you
And all the things you put me through
I'm holding on by letting go of you
