Days swiftly come and go
I'm dreaming of her
She's seeing other guys
Emotions they stir
The sun is gone the nights are long
And I am left while the tears fall

Did you think that I would cry, on the phone?
Do you know what it feels like being alone?
I'll find someone new

Swing, swing, swing from the tangles of
My heart is crushed by a former love
Can you help me find a way to carry on again?

Wish cast into the sky
I'm moving on
Sweet beginnings do arise
She knows I was wrong
The notes are old
They bend they fold
And so do I to a new love

Did you think that I would cry, on the phone?
Do you know what it feels like, being alone?
I'll find someone new

Swing, swing, swing from the tangles of
My heart is crushed by a former love
Can you help me find a way to carry on again?

Bury me (you thought your problems were gone)
Carry me (away, away, away...)

Swing, swing, swing from the tangles of
My heart is crushed by a former love
Can you help me find a way to carry on again?

Swing, swing, swing from the tangles of
My heart is crushed by a former love
Can you help me find a way to carry on again?

Swing, swing, swing from the tangles of
My heart is crushed by a former love
Can you help me find a way to carry on again?
