O-o-o  
O-o-o  
Him and her  
Life is turned.  
The day I knew you would leave  
I can barely breath

Can you hear me scream?  
O-o-o thrown in all directions  
O-o-o epitome of perfection  
She's lost her will, (She's lost her will)  
Time is standing still

He walks, her, home  
Now he walks a-lone  
The days, they turn into years  
The eyes, they drown in tears

Can you hear me scream?  
O-o-o thrown in all directions  
O-o-o You Epitome of perfection  
She's lost her will, (She's lost her will)  
Time is standing still

The way we are the way they were  
(It's just a shadow of what's wrong)  
The time with you the time is stirred  
(I love you for, so long)  
The hearts they turn, they turn away  
(She says to go please don't you cry)  
Love lost was found, night turns to day

O-o-o thrown in all directions  
O-o-o Epitome of perfection  
She's lost her will,  
Time is standing still

O-o-o thrown in all directions  
O-o-o Epitome of perfection  
She's lost her will, (she's lost her will)  
Time is standing still

O-o-o  
O-o-o  
O-o-o

Time is standing still
