I worry, I wonder all the time why worry
It's killing me, forget about it

I whisper, remember what she did
Don't miss her
Set me free, she won't allow it

Angry and gone, and the list goes on and on
If it's love, I will differ, I'm being lost being with her

I (hiiiiiii) can't move on, I can't take it
She (heeee), she says we won't ma-a-ake it now
I (hiiiiiii) can't move on, I can't take it
She (heeee), she says we won't ma-a-ake it now

Be-lieving, the things i did were wrong
I'm leaving
It fades a-way, forget about it
She's binding, can't do a thing alone
Rewinding
Times before, can't live without it

Angry and gone, and the list goes on and on
If it's love, I will differ, I'm being lost being with her

I (hiiiiiii) can't move on, I can't take it
She (heeee), she says we won't ma-a-ake it now
I (hiiiiiii) can't move on, I can't take it
She (heeee), she says we won't ma-a-ake it now

I don't know
But you did but you did but you did
Please don't go
Now my feelings for you they're now lost
'cause we're through anymore
I'll write you , I'll call you
Now

(being lost being with her)
(being lost being with her)
(being lost) forget about it

I (hiiiiiiiiii) can't move on, I can't take it
She (heeeee), she says we won't ma-a-ake it now
I (hiiiiiiiiii) can't move on, I can't take it
She (heeeee), she says we won't ma-a-ake it now

I (hiiiiiiiiii) can't move on, I can't take it
She (heeeee), she says we won't ma-a-ake it now
I (hiiiiiiiiii) can't move on, I can't take it
She (heeeee), she says we won't ma-a-ake it now
