Superstar,
Where you from? How's it going?
I know you,
gotta clue what you're doing
You can play brand new to all the other chicks out there
But I know who you are, yeah who you are baby

Look at you,
Gettin' more than just a re-up
K-Fed you,
Yeah you shouldn't sign a pre-nob
Fakin' like a good one, but I call 'em like I see 'em
I know what you are, yeah what you are baby

Womanizer, woman-womanizer
You're a womanizer
Womanizer, womanizer,
Oh you're a woman-baby
You, you, you are
You, you, you are
Womanizer, womanizer, womanizer (Womanizer)

Boy don't try to front,
That I know just, just what you are
Boy don't try to front,
That I know just, just what you are

(Woo) You got me goin',
(Woo) You're oh so charming
You Nothin' but a-
a-womanizer

Daddy-O,
You got the swagger of a champion
Too bad for you,
You just can't find the right companion
I guess when you have one too many,
Makes it hard, it could be easy
Who you are, that's just who you are baby

Lollipop,

Yes in me, you're a sucker
To think that I,
Would be a victim, not another
Say it, play it how you wanna
But no way, I'm never gonna fall for you, never you
baby

Womanizer, woman-womanizer
You're a womanizer
Oh womanizer,
Oh you're a womanizer baby
You, you, you are
You, you, you are
Womanizer, womanizer, womanizer (Womanizer)

Boy don't try to front,
Yeah I know just, just what you are
Boy don't try to front,
I-I know just, just what you are

(Woo) You got me goin',
(Woo) You're oh so charming
You're nothing but a-
A womanizer

Boy don't try to front,
I-I know just, just what you are
Boy don't try to front,
Yeah I know just, just what you are

(Woo) You got me crazy,
(Woo) I got you crazy
You're nothing but a womanizer

Maybe if we both lived in a different world, ohhh
It would be all good,
And maybe I could be your girl
But I guess i can't, 'cause we don't...

Me and you, and you for me
No matter how we fuss the dice
It had to be
The only one for me is you
And you for me
So happy together

Boy don't try to front,
A-I know just, just what you are
Boy don't try to front,
That I know just, just what you are

(Woo) You got me goin',
(Woo) You're oh so charming (Woo)
You nothin' but a-
A-womanizer

Boy don't try to front,
A-I know just, just what you are
Boy don't try to front,
That I know just, just what you are

(Woo) You got me crazy, (Woo)
I got you crazy , (Woo)
You're nothing but a
A womanizer

Womanizer, woman-womanizer
You're a womanizer
Oh womanizer,
Oh you're a womanizer baby
