(Vince Gill)

... I had a dream last night about you an' me
It made me think of just how much how much you mean
to
Me

Janny Lou
Janny Lou
You came along
You heard my song
I love ya Janny Lou

I'm so cold and all alone... in room 459
An' I'm cryin' down but I'll be all right 'cause I know
You'll always be mine

Janny Lou
Janny Lou
You came along
You heard my song
I love ya Janny Lou

There's a lotta things I do... that you don't understand
But you an' I... we both know that someday I'll have
Your hand

Janny Lou
Janny Lou
You came along
You heard my song
I love ya Janny Lou
Oh I love you Janny Lou

Janny Lou
Janny Lou
Janny Lou
Janny Lou...
