Sittin' in Ellenwood gardens... sittin' in the sherwood
mall
Wonderin' if it really matters... wonderin' if it is at all
Used to be so good... somethin' new inside me every
day, looks like

La la la la la la la... You're between me
La la la la la la la... Right between me
La la la la la la la... You're between me... and what I
wanna be

Sittin' on McKenzie river... listen to McKendree spring
Tryin' to get into heaven... tryin' to get into almost
everything now
Used to be so good... somethin' new inside me every
day, looks like

La la la la la la la... You're between me
La la la la la la la... it's just that you ain't seen me
La la la la la la la... You're between me... and what I
wanna be

La la la la la la la... You're between me
La la la la la la la... it's just that you ain't seen me
La la la la la la la... You're between me... and what I
wanna be

Sittin' on McKenzie river... listen to McKendree spring,
they're so godamn good
Tryin' to get into heaven... tryin' to get into almost
everything now
Used to be so good... somethin' new inside me every
day

La la la la la la la... You're between me
La la la la la la la... it's just that you ain't seen me
La la la la la la la... You're between me... and what I
wanna be
La la la la la la la...
La la la la la la la... lookin' like it
La la la la la la la... sittin' down gettin' right down to it

La la la la la la la...

La la la la la la la... You're between me

La la la la la la la... as if you ain't seen me

La la la la la la la... You're between me... and what I
wanna be
