We were drinking Taster's Choice  
Fast approaching early death  
You looked up, put down your mug  
Have we died yet?

I must apologize  
I must apologize  
I must apoloize  
For the stain on Big Yellow

We closed our eyes  
To feel the moment  
You said you were tired  
I was spent

I must apologize  
I must apologize  
I must apoloize  
For the stain on Big Yellow

We have discoloration

We walked in took off our coats  
Soaked to the bone  
Looked around your apartment  
I think we're alone

I must apologize  
I must apologize  
I must apoloize  
For the stain on Big Yellow

I must apologize  
I must apologize  
I must apoloize  
For the stain on Big Yellow
