One drink tonight  
A cocktail between your legs, honey  
Gonna burn my soul  
Crack Pot  
That pipe head's burning it down, getting on my last  
good vein  
Gonna burn thy soul

Chester Street is gonna burn tonight

One trip tonight  
A cap well-prepared to find all the thoughts that you're  
having  
Gonna feel that sight  
Left Half  
That side's been snoring aloud, gonna bring that back  
to life  
Gonna heal that site

Chester Street is gonna burn tonight
