Today my baby left me with a smile upon her face
She was talking japanese about some individual space
And now I find myself inside this jumbo bed
I cannot eat not sleep nor move
Oh god I feel so sad

Why did you do it ?
She said : lift up your head my boy
Why did you do it ?
You know there ain't no need to cry
Why did you do it ?
It will be funny when I die

Does anybody know ?
Can anybody say ?
Will she ever come
Back in anyway ?
Does anybody know ?
Can anybody say ?
Will she ever come
Back in anyway ?
Yeah, yeah, yeah !

She didn't even realize that I changed my mind today
Oh god she was as cold as ice and she didn't melt
away
When I told her she's the only one and I would always
love her
She said I'll always love you too my boy but more just
like a brother

Why did you do it ?
She said : lift up your head my boy
Why did you do it ?
You know there ain't no need to cry
Why did you do it ?
It will be funny when I die

Does anybody know ?
Can anybody say ?
Will she ever come

Back in anyway ?
Does anybody know ?
Can anybody say ?
Will she ever come
Back in anyway ?
Yeah, yeah, yeah
