Seven years of bad luck,
Seven years of pain.
You shot your life against me
But now I've got myself again,
And I feel so high, and I feel so sane.
I've put all the rubbish just beside me.
Do you understand? Do you understand?

Hey Candy,
Does it make you satisfied
When you tell me I'm a loser?
Have you ever really tried
To enjoy yourself, to enjoy the rain?
When you kiss the sweat of BATMAN,
Does he understand?
Just the way I can.

No, I don't kill, I don't kill myself.
No, I won't kill, I won't kill myself.
No, I don't kill, I don't kill myself,
Because of you!

I am not suicidal, not depressed,
I don't feel the heartache
And I'm no longer stressed.
Girl, I feel so high
It's because I've changed
My my my point of view today.
Do you understand? Do you understand?

No, I don't kill, I don't kill myself.
No, I won't kill, I won't kill myself.
No, I don't kill, I don't kill myself,
For you!

Does he really understand -
For you -
Does he love you like I can't -
For you -
I've been waiting for this moment
To come

For so long.

No, I don't kill, I don't kill myself.

No, I won't kill, I won't kill myself.

No, I don't kill, I don't kill myself,

Because of you!

Because of you!
