(Hinkel / Freudenthaler)

Can't understand
What I have seen
I can't recall
Where I have been
Can't find the words
I wish to say,
I can't be near
Can't get away
I cannot do
The things I should,
I wish I could

I can't say where,
I can't say when,
I can't promise now
To be your friend
Can't be the one
That you adore,
I don't know what I'm livin' for
The reason why
I feel so blue
Is just because
I'm missing you

I can't slow down,
I can't be fast,
Don't know how long
It's gonna last,
I don't know why
My life has changed,
Can't get the pieces
Rearranged
The only thing
I know for sure
Your love was pure

I cannot lose,
I cannot win,
Can't end things up

That I begin,
I won't be better
Than anyone,
I don't know where I'm comin' from
The reason why
I feel so blue
Is just because
I'm missing you

I can't be strong
When I get lost,
I can't believe,
I cannot trust
And all the pain
I won't endure,
I can't be rich,
I can't be poor
I won't get used
To be sincere
Wish you were here

I can't devote,
I can't get too deep,
Can't struggle hard,
Can't stand defeat
I cannot mend
What I mixed up
I cannot hold what I have got
The only thing
I know for sure
Your love was pure
