Overgrown
And the tide rushes in
Overgrown
And the tide rushes in
It's all I've known
It's your description of sin
It's hard to stop now
That's just the way that it's been

All I wanted was you
Every night just you

Further gone
Further carried away
Further gone now
And it's leaving to stay
Life is all
That's left to shatter today
I'm prepared now
But let's not get carried away

All I wanted was you
Every night just you

I'm alone with my murderer, everything is easier
Alone with my murderer, motives are clear
I'm alone with my murder, never have been lonelier
Alone with my murderer. Alone.
