Silence - I'm running
Dreams can tell
Do you believe it?
Yes, I do

Silence is waiting
Thoughts can tell
It's better than falling
Yes, I do

You can let me stand here
I'm at the wheel
Weightless and clear
Yes, I do

Don't you be anxious
Yes, I do hear what you say

Why are you sleeping?
Tell me why you still believe
Why are you sleeping?
Picking up pieces in the field?
Why are you dreaming?
Can you hear me
When you call that name?
Why are you sleeping still?

You don't need to beautify
Nothing at all
We're wearing it inside
Yes, we do

I'm trying to balance
Myself I can
Hear what you're saying
I only try to forget

Why are you sleeping?
Tell me why you still believe

Why are you sleeping?
Picking up pieces in the field?
Why are you dreaming?
Can you hear me
When you call that name?
Why are you sleeping still?
