Is there somewhere we can stay together,
Somewhere we can make the same mistakes yeah,
Looks like Michaels dad will face the river,
Don't you change, rearrange what I've said,
I need something that is more substantial,
Fashions change, will they change what I wear?

Don't run inside,
I can't find the time,
Just to relieve my mind,
And then your ruler goes on,
And you change the way,
How I perceive the day,
In any other way,

And you always feel so rare,
Like you'd never think so,
They'll surround you when I'm there,
And you'll never think so,

Still you've got your health and that's the main thing,
Oh no,
Looking at myself I'd say the same thing,
Don't let Michael change your face, not ever,
Don't you change, rearrange what I've said,
I need something that is more substantial,
Platform sale, go and see your council,
Don't run inside,
I can't find the time,
Just to relieve my mind,
Its heavy breathing time,
And then your ruler goes on,
And you change the way,
How I perceive the day,
In any other way,

And you always feel so rare,
And you'd never think so,
They'll surround you when I'm there,
And you'd never think so,
And you always get so green,
And you'd never think so,

Such a beautiful machine,
And you'll never think so,

And then your ruler goes on,
And you change the way,
How I perceive the day,
In any other way.
