Pretty girl lying in the gutter now,
You shouldn't have been so clever with your mouth,
You lose but you're always satisfied,
Go out then and get yourself some style,

Look at the state you're in,
Oh will you look at the state you're in,

Keep calm and keep it to yourself,
There's no harm if you're left upon the shelf,
You lose and you're always satisfied,
Go out then and get yourself some style,

Look at the state your in,
Oh will you look at the state your in,

I always thought that life would be this way,
I always thought that life would be this way,
Do you think that you're fine,
Cause you spend all your time to enjoy yourself?
Do you think that you're fine,
Cause you try all the time to enjoy yourself?
You're a gutter girl,

Pretty girl they never stand a chance,
We all know you love everything in pants,
You lose and you're always satisfied,
Go out then and get yourself some style,

Look at state I'm in,
Oh will you look at the state I'm in,

I always thought that life would be this way,
I always thought that life would be this way,
Do you think that you're fine,
Cause you spend all your time to enjoy yourself?
When you've used all of mine,
You can spend all your time to enjoy yourself,

It's your game, now play it,
But can you hear what I'm saying?

I always thought that life would be this way,
I always thought that life would be this way,
Do you think that you're fine,
Cause you spend all your time to enjoy yourself,
When you spend all of mine,
You can use all your time to enjoy yourself.
