Hey hey, good times

You're in so many lives  
Why don't you walk into mine?  
I've waited here for a lifetime  
But you never showed your face  
I'm sorry if I've been wasting my time  
I lied to myself  
I lie and I know  
I can't figure out how my story goes  
But, I lie to myself  
And there's no Holy Grail  
So why don't you come and lay your body down  
On my bed of nails?

Hey hey I'm down  
Well I'm stuck in a hole and I can't see  
Any way out

Remember when we were younger  
And I showed you what to say  
And now it seems I've lost that hunger

Why don't you lay  
Why don't you lay  
Why don't you come and lay your body down?

I thought it would last a lifetime  
It only lasts a day  
You've started wasting my time  
Why don't you come and change the way  
I lie to myself  
I lie and I know  
I can't figure out  
How my story goes  
I lie to myself  
I lie all the time  
I can't figure out why what's yours ain't mine

Hear me out (Hear me out)  
Hear me out (Why don't you hear me out?)  
Hear me now (Hear me now)

Hear me now
