Throw me a line

A plea for mankind, tell me
What did you find?
Weeping and wailing
It's happened before
They're planning a war
firing - spherical balls
Blowing those brains in

All I want is something
I can't find
Oh well never mind

Give me some peace
A blessed release from all
this blistering heat
and weeping and wailing
Take me to Greece
A blessed release from
all this West versus East
Pack so much hate in

All I want is something
I can't find
Oh well never mind

Throw me a line
A plea for mankind won't you tell me
What did you find?
When you were weeping and wailing

All I want is something
I can't find
Oh well never mind
