Lost and broken  
Tired and something's choking me  
I just wanna be free

Scared of it all  
So scared I'll fall  
But find somewhere in me

Somewhere in me  
My heart's crying out for love  
Somewhere inside me  
I'm calling out to him above  
And even though  
It hurts so bad  
You and me, lord  
You'll lead me through  
You'll lead me through

I'm cold, I'm shaking  
I'm scared, my fears are waking me  
I just wanna be free

And I don't know how  
But I need you now  
'Cause some  
Somewhere in me

Somewhere near me  
This heart is crying out for love  
And somewhere inside me  
I'm finding strength from up above  
And even though  
It hurts so bad  
You and me, lord  
You'll lead me through  
You'll lead me through

Ba da ba, ba ba ba

And even though  
It hurts so bad

You and me, lord  
You'll lead me through  
You'll lead me through

Somewhere near me  
This heart is crying out for love  
And somewhere inside me  
I'm finding strength from up above

Ba ba ba

You'll lead me through
