In a stolen Bonneville wit 23's on the feet

Collection while he do brown, back in town to do re-bag
Give me face, I love the sound slap the taste they hit

Back in the A hooked up, clicked up wit sum people dat

On dat Kryptonite stay so high we might fly away

I'm on Kryptonite come to my crib tonight
Let me beat dat puss all night
Run tell yo buddies I fucked you right

Tell 'em bout all the plaques on the wall
Tell 'em how you licked my balls
Tell 'em how Konkrete run the streets
Big Boi, he put us on

Chevy ridas, slangin' powders, Simpson Rd., Dixie Hills
Diamond pressed against dat wood, candy paint,
spinnin' wheels
Grind Time rap game, remember bitches Killer Kill
Purple Ribbon rollin' o's, an' we all be on dat Kryp

I be on dat Kryptonite
Straight up on dat Kryptonite
I be on dat, straight up on dat
I be on dat Kryptonite

Time an' time again I turn back round an' tell C-Bone
Grab kurl on out my book bag, I smell dro' all on you
homes
Suppose the po-po get whiff of the spliff dat you just
smoke
Dem folk gon trip

Probably will cause canines
Move it the side of the road lets take a sniff
Shit, the only thing we ridin' dirty is GBK CD
Tackle berry

So may we be on our Mary way
Cuz you just ain't gon find no yeah
Play, I got a tough team of attorneys
Make a judge lean like he sippin' syrupy
They play dirty, he can't touch me
Verdict be not guilty, search me

I be on dat Kryptonite
Straight up on dat Kryptonite
I be on dat, straight up on dat
I be on dat Kryptonite

I be on dat Kryptonite
Straight up on dat Kryptonite
I be on dat, straight up on dat
I be on dat Kryptonite

Boy stop, ha, ha, ha, ha
