I've been in a bind for a while
I can't find this girl is quite my style
Ever since she walked out on me.
You were the one for me.
We'd sit and watch our MTV.
Why did you have to walk out on me.

I'm reaching insanity.
I'm reaching insanity.
Yeah Diane come back to me.
I'll be everything that we can be.
I'll join the football team.
Diane come back to me.
You are the only one for me.
You are my destiny.

Please tell me it wasn't right.
Two stared crossed lovers in the night.
Why did you have to walk out on me.
You were the one for me.
We'd sit and watch our MTV.
Why did you have to walk out on me.

I'm reaching insanity.
I'm reaching insanity.
Yeah Diane come back to me.
I'll be everything that we can be.
I'll lose my dignity.
Diane come back to me.
You are the only one for me.
You are my destiny.

Diane come back to me.
I'll be everything that we could be.
