All I need is walking cane to guide me on my way

All I need is walking cane (To guide me on my way),
A hat to brush away the rain, that would be OK,
Starting over to begin (Standing here too strong),
Never thought I'd ever see at all,

I stand too tall,
but I shrink away,
I never thought I could feel as good like the way I feel
today,
so I run away,
Cause things aren't quite going my way,
so I run away,
Cause things aren't quite going my way,

Run away from yesterday (Tommorow will be free)
Slipped today but that's OK in a new routine,
Those who live and those who die (Shining like the sun)
All trying to peek over the wall,

I stand too tall,
but I shrink away,
I never thought I could feel as good like the way I feel
today,
so run away,
Cause things aren't quite going my way,
so run away,
Cause things aren't quite going my way,

When I turn on MTV,
A saw just what I wanted to be,
But that was, yesterday,

And things aren't quite going my way,
(Wooo-oooooooooooo)
And things aren't quite going my way,
(Wooooooooo-ooooooooo-oooooooo-oooooooo)
No things aren't quite going my way,

No things aren't quite going my way,

No things aren't quite going my waaaaay,
(Yeeeeeeah, Awaaaaay, Yeeeeeeah, Awaaaaay,
Yeeeeeeah, Awaaaaay)
No things aren't quite going my way,
