You got me going like a wind up toy,
So pay attention to a broken boy.

You got me going and, well, I cannot stop,
And if you keep me going gonna see me pop.

I'm in love with what you do,
The way you lie, the touch of you.

Cells are filled into a smile,
The message can go for miles.
(All the perfect things you do)

I know what you're thinking when you cry.
(When you cry)
I know what you're thinking when you smile.
(When you smile)
I know that you're just a little child,
I know you know...
(All the perfect things you do)

You got me going like a grade school crush,
My head is spinning and my face is flushed.
You got me going like a fast paced heart,
And if you keep me going, I'm gonna fall apart.

I can write a thousand words, useless nouns, and
needless verbs.
I can shout a million times, 'till the neighbors hear my
cries.
(All the perfect things you do)

I know what you're thinking when you cry.
(When you cry)
I know what you're thinking when you smile.
(When you smile)
I know that you're just a little child,
I know you know...
(All the perfect things you do)

Na Na Na Na, Na Na Na Na, Na Na Na Na Na Na Na,

Na Na Na Na, Na Na Na Na, Na Na Na Na Na Na Na.

(You make me melt)

I know what you're thinking when you cry.

(When you cry)

I know what you're thinking when you smile.

(When you smile)

I know that you're just a little child,

I know you know....

(All the perfect things you do)

Na Na Na Na, Na Na Na Na, Na Na Na Na Na Na Na,

Na Na Na Na, Na Na Na Na, Na Na Na Na Na Na Na.

I know what you're thinking when you cry.

I know what you're thinking when you smile.

I know that you're just a little child,

I know you know...

(All the perfect things you do)
