Wasuresou na yasashisa wo yobisamasu kimi no egao
Yawaraka na kotoba-tachi ga fuyu no sora e to kaeru
SAYONARA ni nureta hoho ga kawakanakutemo
Kimi no negai wo kimi no kotae wo
kimi no inochi wo subete no ai ni kaete yukou

It will break my heart to see you go
Nando mo inoru yo
Tatoe nido to wa aenakutemo
omoitsuzukeyou missin' you

Furueteta senaka ni furete kureta te no nukumori
Afureru namida tomerarezu ni kimi wo komaraseta ano
hi
SAYONARA no itami dake wo kurikaeshitemo
Kimi no urei wo kimi no sakebi wo
kimi no inochi wo mune ni kizande aruite yukou

It will break my heart to see you go
Kokoro ni egaku yo
Tatoe sekai ga kimi no koe wo
wasurete shimattemo wishing you

Sono inochi wo kizamitsukete...

And it will break my heart to see you go
I'd rather die than live alone
I don't wanna go nowhere
And meet somebody new
I'd rather spend my time
Just missing you
