Bus Stop  
wet day  
she's there  
I say:  
Please share my umbrella.  
Bus comes  
bus goes  
she stays  
love grows  
Under my umbrella.  
All that summer we enjoyed it

Wind and rain and shine.  
That umbrella we employed it

By August she was mine.

E'very morning I would see her

Waiting at the stop.  
Sometimes she'd shop  
And she would show me what she'd bought.

Other people stared  
As if we were both quite insane.  
Some day my name  
And hers are going to be the same.

That's the way the whole thing started.  
Silly  
but it's true

Thinking of a sweet romance

Beginning in that queue.

Came the sun  
the lice was melting

No more shelt'ring now.  
Nice to think that that umbrella

Led me to a vow.

Bus Stop  
wet day  
she's there  
I say:  
Please share my umbrella.
