Tell me tell me how I'm doing tonight  
I could take this forever  
The more I get the better all right  
C'mon and spoil me  
Let me be the apple of your eye  
I could take this forever  
The more I get the better all right

This ain't my first time but  
it's never been like this before  
Can this be magic  
I can't keep my feet on the floor

Love c'mon and cast your spell on me  
C'mon c'mon c'mon c'mon  
Love c'mon and cast your spell on me

verse 1

Hey sugar mama gaze into your crystal ball  
I'm in there hoping you'll want me at your beck and call

chorus x2
